World Wide Leaders in Natural Sports

"Serving the Natural Athletes" Since 1988

Re: Angela Yeo, Natural Universe Champion

September 12, 2013

To Whom It May Concern:

My name is Denny Kakos, I am the World President and founder of the ABA (Amateur Bodybuilding Association), INBA (International Natural Bodybuilding Association) and PNBA (Professional Natural Bodybuilding Association). The ABA/INBA/PNBA is the worldwide leaders in natural sports. We are represented in 50 countries and growing. Our goal is to someday get natural bodybuilding into the Olympics.

Angela is not only a tremendous athlete within our organization, but has also been a great influence to other athletes as well as the world natural movement. Recently, this athlete has qualified to represent the USA at our National and International competitions in 2013.

Our hope is that this natural athlete will be able to represent the USA at the largest most prestigious natural bodybuilding and fitness championships in the world: The Pinnacle of Natural Sports, *The Natural Olympia*, on November 7-10, 2013, in San Diego, California, USA. This event will be held in conjunction with The International Multi-Sports Expo. There will be over 50 countries invited to this competition and with this exceptional athlete on our team we are assured a win!

This elite natural athlete will need help from the community to raise funds for travel and miscellaneous expenses, approximately \$3,000.00. By donating or sponsoring this athlete in your area, it will further promote natural sports and drug-free lifestyles, and help TEAM USA to win a Gold Medal.

Sincerely,

Denny S. Kakos
